

Weapons

Bomb

Die. Hits on a 3+. Hits ALL adjacent units. Opponents don't block.

Faction Abilities

Burst

When each model dies, each dead model attacks ALL adjacent units. Opponents don't block.

Jetpack

Roll two dice. Move a number of hexes between the lower and upper dice (inclusive). Rotate freely after landing. If you hit a unit, attack that unit and yourself, then move 1 fewer hex. Die if you fly off the board.

Rabid

Reveal this tile. Must move fully towards enemies each round.

Unusual Abilities

Beserk

Roll d3, replace a move with this many moves

Slow

May only move or turn once per action

Boneborn

Weapons

Scythe

Good against units with 5 or fewer wounds left.

Faction Abilities

Vampiric

Roll for each damage dealt. Heal on this value. This may ressurect units, it may not go over the starting unit count.

Scary

Units damaged by a scary unit fail leadership checks on 5+

Ethereal

Opponents must reroll successful to hit rolls

Unusual Abilities

Slow

May only move or turn once per action

Poison

6s to hit can't be blocked
